

We have got a fully equipped gym, a sauna and a sun booth.

The gym is equipped with top of the range machines, which are all fully accessible for people with disabilities.

We specialise in creating exercise programmes for people who haven't exercised in a long time or who are in rehab after an illness or injury, but we do welcome everyone whatever their ability.

Just pop in, have a look around and discuss your fitness aims with one of our expert instructors.

We're easy to find; 1 minute walk from Roman Rd market. Metered parking just outside with disabled parking adjacent.

Even if you've never used a gym before, there's no better place to start than Ability Bow Gym.
